Petitioner respectfully submits that the public
interest would be served by allocating Channel 285A to
Oil City, Louisiana as that community's first competing FM
service.¹ Oil City is an incorporated city with a
population of 1,219 people.² Oil City has its own mayor,
Todd Hopkins, its own police department, Michael Knight
chief of police, city offices, post office, elementary
school, volunteer fire department, and a number of local
churches. The proposed channel 285A will provide

additional diversity and an outlet for local self-expression to Oil City residents and therefore is in the public interest.

Should this petition be granted, and Channel 285A is allotted to Oil City, Louisiana, Petitioner will apply for Channel 285A, and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.
